

Fàilte gu taigh na h-Alba – Welcome to the House of Scotland!

**HOUSE OF SCOTLAND LAWN SHOW
SUNDAY OCTOBER 30TH 1-3:30 PM**

The House of Scotland Cottage in Balboa Park opens at 11am and the formal program runs from 1-3:30 pm on the HPR courtyard stage by the international cottages (see map). **Times are variable and the show may go faster than the timeline below.**

Please arrive at the House of Scotland Cottage no later than 1pm in uniform, with pipes and drums ready to go.

At your scheduled time slot, you'll play:

- Murdo's/Scotland
- 4/4 Blue Bells Set

For the **Massed Band** event, be prepared to play:

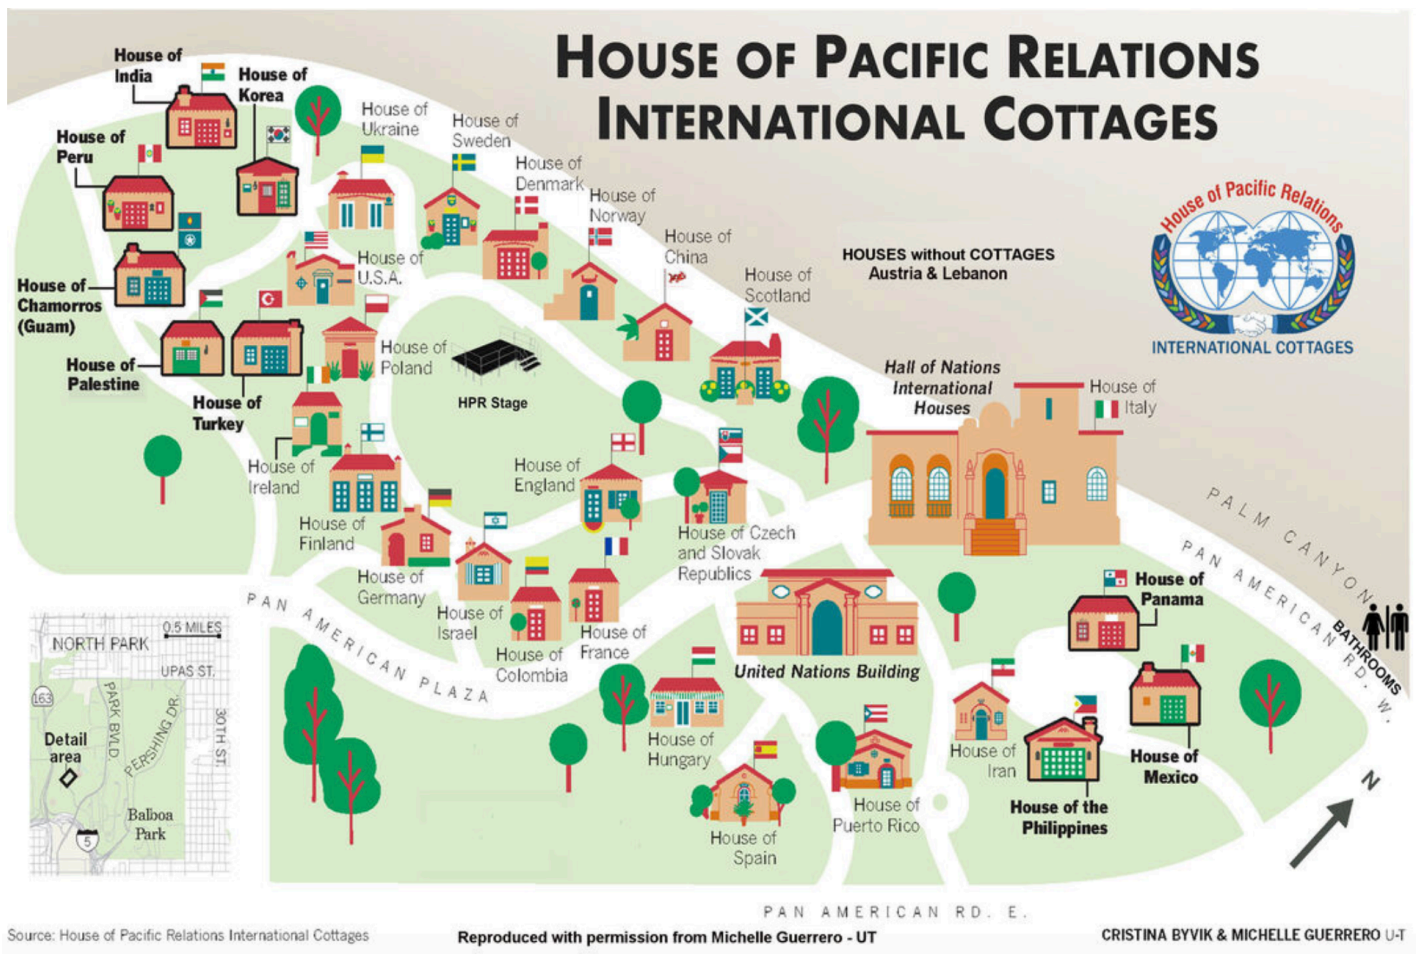

- Amazing Grace: Solo/Band (Winter will play the solo)
- Blue Bells twice through
- Highland Cathedral (ABABA)
- Scotland the Brave twice through (march off stage at second time through)

The House of Scotland and its pipe band are part of the House of Pacific Relations International Cottages. From February through December, cottages conduct their Lawn Shows, which are free to the public and feature music, dance, traditional cultural dress, arts, crafts and ethnic foods. The House of Scotland program will feature pipe bands (HSPB and Helix Highlanders), highland and country dancing, traditional hot food and desserts for sale.

There are many events in the park on the 30th. The Spreckels Organ concert is having a Halloween event with Symphonic Strings at 2pm. The HPR is hosting a Trick or Treat trail through the cottages from 11-4. Parking may be difficult, so we're giving ourselves extra time to get to the cottage. The lot across the street from Park Ave and President's Way is quite large so that will be overflow. Guillermo's mom is working on carpools.

There is no room in the cottage for equipment, but we will have a tent set up on the courtyard grass for pipe and drum cases. You're welcome to bring lawn chairs, snacks and water.

Please check in with Hamish and me when you arrive.
